

"Why be good when you can be great?"

**October 2, 2010**  
**Marriott Boston Woburn North**  
**700 Unicorn Park Drive**  
**Woburn, MA**

A very special day of dance with Phaedra and Samara, both from New York City, Dance Divas Extraordinaire, and former soloists with [The Ibrahim Farrah Near East Dance Group](#), hosted by Za-Beth.

On the twelfth year anniversary of his death, we will celebrate the life and work of the legendary [Ibrahim "Bobby" Farrah](#) with four hours of workshop and a three hour screening of archival footage featuring a full concert performed by The Ibrahim Farrah Near East Dance Group, Nadia Gamal, and the Jamal twins. In the evening we will continue our theme with a gala show full of performances by some of Bobby's former students, their students, and Bobby Farrah choreographies.
